Dear Jimmy,

The fundraising Committee for A Path Appears in Belmont wants to extend a sincere and enthusiastic THANK YOU, to you and to **Humor for Humanity** for such a successful fundraising event in May 2016. We challenged ourselves by having three very worthy beneficiaries for the proceeds to be divided among and the event was so successful that each beneficiary was awarded double the amount we had predicted. It was a pleasure working with you and I hope we have another opportunity very soon.

Sincerely,

Jackie Neel
