

An Ever-widening Circle

Congregation Kehillath Israel

February 14, 2012

To Whom it May Concern,

Mr. Jimmy Tingle recently performed at our 5th annual Gala Auction and dinner and provided us all with much laughter. More importantly, at our request, he presided over our Live Auction and then raised more than \$20,000 for us on only 7 items! This is the best we've done since our first auction 5 years ago! Jimmy was as entertaining and engaging during the auction as during his later performance. Our only regret was that the evening ended so early. If we go for our 6th annual, we will certainly invite Jimmy back.

Sincerely,

Sharon Krebs
