

## Whitter Street Health Center

Jimmy Tingle served as the Roast Master at our 2015 signature fundraiser. His energy, comedic talent, and commitment to giving back was on full display at our annual benefit gala, where he emceed and helped raise spirits, awareness, and thousands of dollars to support our mission to provide equitable access to healthcare and social services for those in need! The guests thoroughly enjoyed the evening! He was a delight to work with and we thank him for a job well done.

FREDERICA M. WILLIAMS, PRESIDENT AND CEO
