

Women's Bar Foundation

A big thank you, Jimmy, for the tremendous job you did to make our audience feel good about raising their hand to donate to the Women's Bar Foundation. We rely on the proceeds from our annual Comedy Night to fund our pro bono legal programs and you were masterful in helping us exceed our fundraising expectations for the evening. Not only was the audience jumping at the chance to bid during our auction, but they were howling with laughter as you encouraged them to step up and donate to a great cause. This was our most successful event to date and we have you to thank!
