RE: Jimmy Tingle

On October 22, 2016, the Clinton Democratic Town Committee held a fundraiser with Jimmy Tingle, live onstage, performing, "Jimmy Tingle for President, the Finniest Campaign in History."

We worked closely with Mr. Tingle for several months in the planning and final execution of what was a very successful fundraising event.

Jimmy Tingle didn't just show up, he was intimately involved in helping us, and in making things happen. He gave us hands-on assistance on ticket sales, technical needs at the venue and imparted to us other details of the trade. He was comfortable to work with.

His performance was outstanding. Considering the political nature of the event, he also showed respect for those who might disagree, but who laughed all the while with the rest of us.

After the show, he was also very gracious enough to attend our after the show reception at a restaurant nearby. He stayed a good amount of time, chatted with the guests, and signed autographs.

It is our pleasure to highly recommend one funny, entertaining, talented and all around nice guy, Jimmy Tingle, to any and all considering a fundraiser or other event.

Everyone will be happy and everyone will have a good time.

Very truly yours,

Mary J. Richards, Vice Chairman
