To Whom It May Concern:

I am pleased to write a letter endorsing Jimmy Tingle as a speaker for your organization or event. As president of the New England Association of Collegiate Registrars and Admissions Officers (NEACRAO), I was honored to introduce him as our 2018 Annual Conference keynote speaker. Jimmy entertained and inspired as he connected his background as an activist and candidate to the critically important work of higher education professionals.

Jimmy's experience in entertainment, politics, community activism, and social enterprise means he would fit well with any event's theme and you can count on him to deliver an engaging and meaningful presentation. Our ballroom was packed for his speech, and he walked offstage to roaring applause and a standing ovation. You will not be disappointed.

Sincerely,

Michael Burke
President, NEACRAO
