To Whom It May Concern:

Jimmy Tingle was a first-class act and "auctioneer" at our signature fundraising event. Specifically, he helped our nonprofit leverage new mobile bidding technology to raise a record amount during a live appeal at the event.

Jimmy took the care and time to get to know our organization's mission, visiting the program prior to our event. On stage, he kept the audience laughing, engaged and motivated, striking the perfect tone as the professional entertainer that he is. As one guest said, "Never has donating money been so fun!"

Thanks to Jimmy, we exceeded our fundraising goals. We definitely want him back next year!

Sincerely,

Kippy Dewey  
Executive Director
