

Martha's Vineyard Community Service

Mr. Tingle has served as auctioneer for our agency's Possible Dreams Auction for the past two years and has done a phenomenal job. Mr. Tingle works hard to understand the entity he is working on behalf of and gives his all day-of at the event. He is obviously quite funny and knows how to get a crowd bidding and laughing at the same time...he will work tirelessly to make it work for you and it is always a great time. I look forward to working with Jimmy more in the future and highly recommend you do the same!
