To Whom It May Concern:

This letter is my personal recommendation for Jimmy Tingle, who provided auctioneer services at our signature fundraising event, the Hasbro Children's Hospital *Heroes Ball*, last year, and will be returning as auctioneer at this year's event as well. Being new to the event, Jimmy understood the importance of how learning about the hospital, its programs, mission, and vision would help to better engage the audience – and he did just that! His attention to detail, paired with his quick-wit and humor, captivated the audience, motivating guests to raise their bid cards. With Jimmy's help, we exceeded our fundraising goal – raising nearly \$1 million for Hasbro Children's Hospital. It has been a pleasure working with Jimmy over the past year, and we look forward to continuing to do so.
